GUARDSMEN IN TRAINING AFTER WELCOME TO FRANCE: ALL ARE IN GOOD HEALTH

New Troops Kept as Closely Together by States as Possible-Many Have Been Inspected by Pershing -Satisfactory Progress in Training.

AMERICAN FIELD HEADQUARTERS, FRANCE, Nov. 30 (United Press),-American National Guard units, representing many States, are now in France.

The new soldiers were given a heart-thrilling welcome by France They were quartered in towns which heretofore had seen only a few of the American fighting men. The occasion of their arrival was made a memorable one by special welcoming ceremonies, in which local officials combined with the military authorities in a whole-hearted celebration.

The first National Guard arrivals, it was stated at headquarters today, have made encouraging progress in their training. Gen. Pershing has already inspected certain of the new units.

[An Associated Press correspondent with the American Army in France cabled to-day that National Guardsmen from every State The guardsmen have been arriving in the American zone to many weeks. They are scattered somewhat, but as far as possible the units from the same State have been kept close together, except in one case. They found the Regular Army had made good prepa rations for them, and while many are billeted in houses in French towns, others have been quartered in low wooden barracks spe-

In all quarters they are declared to be most enthusiastic, and their soldierly qualities have drawn high praise from the French instructors. The guardsmen are all in good health.]

WASHINGTON, Nov. 30 .- America's Rainbow Division is in yesterday, noting the condition of France, along with other National Guard units. They represent a total character of the defences, the ma- of thirty-three States, including the old 69th Regiment in New York.

> While the Department made no announcement upon receipt of despatches telling of the Guard units' arrival, the Army censor said it was permissible to refer to the Rainbow Division, as that was obviously meant, inasmuch as Gen. Pershing's censor had passed the news,
